No star in any genre has affected the world as deeply or has lasted as long without fading as Marilyn Monroe. This thought-provoking and wide-ranging collection of essays examines the undiminished incandescence of Marilyn Monroe -- the impact she has had on our culture, the evolution of her legend since her death, and what she tells us now about our lives and times -- and includes previously unpublished work from some of America's best writers, such as: Joyce Carol Oates, Alice Elliot Dark, Albert Mobilo, Marge Piercy, Lore Segal, Lisa Shea, and many more. From her troubled family beginnings to the infamous \$13 million auction held at Christie's in New York City, *All the Available Light* paints an unforgettable portrait of Marilyn as you've never seen her before. This extremely rare cover photo was taken c. 1954, on the set of *The Seven Year Itch*.
