Guess who's about to lasso a cowboy? Confirmed city girl Kim Chang loves her book club's foray into erotic fiction, but she's not sold on their choice of cowboy erotica. An art student whose future lies back in Hong Kong, Kim doesn't think of dusty chaps and Stetsons as sexy. She's in for a surprise when the club visits the rodeo. It's raw and physical, and those strong, masculine men atop bucking broncs arouse some serious lust. That night, she finds herself hooking up with the most smoldering cowboy in the bunch and having the hottest night of her life. Ty Ronan is from a different world, but their wild fling is too good to stop. As Ty unleashes Kim's inner dirty girl, she realizes the rough-and-tumble man might be more than a roll in the hay. This cowboy's allure goes deeper than she imagined, but can these two opposites make their passionate ride last a lifetime?
