It's just a fitness tracker...right? ...but then again, Doug's a hacker! Doug makes his living hacking technology. Technically, he roots the device, finding every hidden feature . When he finally breaks into the code of the HipChip, the ubiquitous fitness device all the cool chicks are wearing, he find's out the hot and steamy truth. Far from just tracking heartrates and steps, the litle device can alter personalities, making the most gorgeous, fit, hotties putty in his hands! Will he go after Josie, the cute cashier at his favorite hangout, the Computer Barn, or will it be Meg, his drop-dead-gorgeous Eastern-European neighbor? Will Doug discover the secret source of the secret source code, or will he just bask in the glory of his newly-acquired Alpha-Male magnetism? Find out in this first installment of the hot new series from the author of The Breeding Virus and Heads! SEX-ACTION-STORY-TABOO: EROTICA FOR MEN! Contains a sample of Transforming the Nerd Girls. More taboo erotica for men!
