The Hotel Baktun is an exclusive vacation complex that is about to open on the coast of Acapulco, Mexico. Owned by a mysterious multi-millionaire businessman, it is shaped like an ancient Mayan pyramid and its halls are lined with rare and expensive artefacts. For Stacy Keenan, the hotel's new Head of Security, things are already chaotic as the locals continue to put the finishing touches to the festivities while VIPs begin to arrive for the grand opening. When a Russian cruise ship turns along the shore and disgorges its cargo of flesh-eating zombies, the guests and staff soon fragment into various factions as they struggle to withstand the spread of HRV (Human Reanimation Virus). As the armies of the dead conquer all that stand before them, and the human survivors prepare for a final battle against an unstoppable enemy, a horror even more ancient and terrible is revealed when 'The Death' comes to Paradise . . .
