Fifth Edition Fantasy is here! This level 1 adventure module is fully compatible with the fifth edition of the world's first fantasy RPG, and ready to play in your home campaign! The cries of battle echo in the rustic wilderness, as a pair of fey sisters defend the ancient Briarwood against invaders. When the town of Bur Hollow sends militia men to support their fey allies, they disappear without a trace. The adventurers must enter the Briarwood and save them! This all-new 5E adventure module includes two new spells and a new PC background!
