Chef de cuisine Mae Whitten is forced to step into the executive chef's job when her boss goes AWOL in this culinary erotic romance. She's a focused professional in the world of fire and knives and the lone woman in a major hotel chain's kitchen full of testosterone-driven colleagues. She keeps her private life on a low simmer until she makes a snap decision to taste a delicious stranger. Things really start to sizzle when she finds out that the man she thought was a short-term guest has come to Singapore to temporarily fill the head honcho's job. These erotic chefs know how to turn up the heat and get steamy. Contains "recipes for romance"--a short collection of scrumptious dishes featured in the book. Because satisfying the appetites is what Carnal Cuisine is all about. Cook up something spectacular for those moments (before or after) that you just have to come up for air! Content warning: Adult scenes with explicit descriptions of sexual acts. Over 18 readers only. Recipe warning: Tempting concoctions are not for those on a celery and water diet. Read at your waistline's risk!
