Bailey has been taking babysitting jobs for years in order to save enough money for a car. Her favorite clients are Jake March and his son Bobby. Jake is the town's richest and most eligible bachelor. Jake has a lot more in mind than babysitting for Bailey. Will she be up to the challenge? Warning! This 4700 word short story is intended for mature audiences only. It includes a dominating employer and a smoking hot ending that will have you begging for more.
