As "Commander Mark" on his national PBS TV series *The Secret City*, Mark Kistler has taught 10 million viewers of all ages how to draw. Mark Kistler's *Draw Squad* gathers all his zany, effective shortcuts to basic drawing skills into a book that will delight would be artists of all ages. Like his TV show, the thirty ones in this book are peppered with jokes, tips, and slogans, and organized in easy-to-follow steps. "Warm-up" exercises generate enthusiasm; the "Key Drawing Words" develop specific skills; practice pages are provided for hands-on participation; and the Commander's own lively sketches and "contests" invite you to add your own creative touches. His bubbling energy, flashes of whimsy, and talent as a teacher make learning to draw fun and easy -- even for those who swear they can't draw a straight line!
