WildStorm's wildest super-team returns in its third trade paperback - an anthology of outrageousness collecting some of the Authority's most unforgettable tales. Included is the much talked-about "Earth Inferno" story from THE AUTHORITY #17-20, where the very planet we live on rebels against its inhabitants. Plus, THE AUTHORITY 2000 ANNUAL, and two tales from the WILDSTORM SUMMER SPECIAL: an introspective look at Jack Hawksmoor and a peek into the private life of the nanotech-enhanced Engineer.
