Set in the south of France and in Paris during the early 1990s, *The Statement* is the riveting tale of Pierre Brossard, a former officer in the pro-Fascist militia, which served Vichy in its most shameful aspect, and a murderer of Jews. Based on the real-life case of Paul Touvier, a French war criminal who was so long protected by Church and government officials. This novel combines profound moral questions with flaw plotting and breath suspense to devastating effect.
