"This is not your usual generic apocalyptic alien invasion novel. Instead it weaves elements of time-travel, the esoteric, ancient alien theory, real historical fact, Earth mysteries and good old fashioned sci-fi fun into a compelling and startling narrative." Fortean Times "Thought provoking and compelling. It's Wool, The Hunger Games and Ender's Game in one. Five Stars." MERIDIAN RADIO #1 Best seller on Amazon.com (Science Fiction Time Travel) and Amazon.co.uk during free promotion. Humanity has nowhere to go but the past... A stunning debut novel from fresh new Sci-Fi voice, John C. Withwick. In HUMANredux, humanity faces certain annihilation from a hostile alien species intent on colonizing Earth. One lone alien scientist decides that humanity deserves a second chance. He takes five young gifted humans back in time with a mission to rebuild and unite humanity to prepare for the eventual threat. They land in North America with nothing apart from their desire to put right the mistakes of the past. Sometimes to move forward, you have to go back. HUMANredux: REPRISAL (Book 2) available now, Book 3 available December 14th 2014. About the Author John C. Withwick has been working within the creative industries for nearly twenty years. After starting out writing advertising copy for TV and Print for TBWA, he moved into videogames where he's spent fifteen years working on some of the biggest games ever created. His words have been in print, on TV and in games for nearly two decades. A former advertising man, and football agent, John has travelled the world during his career and has crafted his first novel from his love of travel, history, science fiction and sociology.
