I needed to go...the heat was getting too hot to handle. JESSIE Mysterious, rugged and hot as hell. Daryl may be quiet and suspect, However, I know there's more under the surface. He has no idea how persistent I am when it comes to fact finding. I am not someone who needs rescuing; I am not a help little girl. Even though his hot body makes me melt... He is too close to his brother, a man I am trying to catch. DARYL She is opinionated, sexy and very determined, She came into town like thunder. She has a past; I do too. However, Jessie does not know whom she is messing with. She can hunt my brother Wyatt, all she wants, But he is the leader of the Southern Rider. They always get what THEY want. I do not want to have to choose between having her and my brother. I am drawn to her: ALL THE DAMN TIME I need to stop her before she gets hurt, however, she will not let me; she does not need protecting, however, I will do whatever I can to keep her safe.
