A Children's Egg Donation Story This charming and light-hearted book is a wonderful way to introduce young children to the idea that a generous donor (along with a doctor and their parents) helped to bring them into the world and into their loving family. The focus is on a "mommy and daddy" who cherish their very special child. (Refers to the need for "sperm from the man" and "eggs from the lady" being needed to "make a baby"). Full color original illustrations make this book a favorite for bedtime reading. It is a book your child will fall in love with.
