Kate Summers, owner of the Constable Country Tearooms in the English picture-perfect village of East Trimley is looking forward to celebrating the holidays with her new partner, Patrick Collins, and his two grown children when Patrick's financial advisor is found face down in their frozen pond. Detective Vicky Allard draws Kate into the investigation into missing money and dark secrets and Kate finds that the most normal of people can be capable of the darkest crimes. 'Still Waters' is the second book in Clare Havens' Constable Country Mysteries series.
