Azinger's series is fast-paced action-packed fantasy. In a medieval world of forgotten magic, mortals are lured to the chessboard of the gods where an epic struggle of lives, loves and crowns hang in the balance, yet few understand the rules. In this game of power, the pawns of light and darkness will make the difference in the battle for the kingdoms of Erdhe: Katherine, 'The Imp': a young princess with the stout heart of a warrior will challenge the minions of a thousand-year-old evil. Liandra: The Spider Queen; who uses her beauty to beguile, her spies to foresee, and her gold to control, will need all of her skill and strength to fight a rebellion with her own blood at it's heart. Steffan, the puppeteer, will corrupt the innocent and unwary with greed and desire, as he sets an entire kingdom ablaze.
