Sophia White writes about the development of her personal relationship with God, in terms of life, rather than religion. She heartily encourages everyone to know God through the life of Jesus Christ, whose ministry brought revelations from God to the world. It was important for God to illustrate how we must rely upon one another to survive. Once we are able to identify with his common-sense approach to God's love, we are enabled to approach one another with love. The earth's population consists of billions of individuals with the ability to do anything at any time, thanks to the God-given gift of free will. However, there is an accepted natural world order that was designed by God. Since the death of Jesus Christ, many events have shown this natural order and humanity's extensive communication with God through him. "JESUS is for Everybody" helps illustrate the contents of the Bible that are related to topics being discussed in the media today. The relationship between God and humans has existed since the beginning of time, so when a personal relationship with God is established and based solely upon matters of the heart, stability is achieved.
