Foxy has a special talent: He is magically able to produce anything he needs from his bushy red tail. Sometimes Foxy comes up with the wrong solutions, such as the time he tried to give his friend Emily an eraser for school and gave her an elephant instead! Fortunately, Foxy's magic mishaps can always be fixed. And he knows that some very important things—like making new friends—don't require any magic at all. In this humorous tale of friendship, award-winning author-illustrator Emma Dodd introduces a truly endearing new character with a great big heart.
