He Typed. She Typed. is a steamy, hilarious romantic comedy that tackles the dating world in an ongoing, intimate, behind-the-scenes conversation between two singles of the opposite sex. Featuring characters both sympathetic and incredibly human and fallible, He Typed. She Typed. offers insights and observations on 21st-century dating. Readers will easily identify with the situations – the set-ups, the break-ups, the forays into online dating, all the hopes and fears of budding relationships.
