DOES THE COURT SYSTEM WORK? Can you count on a jury of your peers to do the right thing? Haven't we seen too many juries do the wrong thing and let monsters walk? Protagonist Cruz Marquez will dig deep into the background of Sergeant Shaver as he fights to make sure the criminal prosecution is air tight. But, if a corrupt jail warden has an edge over the trial judge, does Cruz even stand a chance? Find out if Sergeant Shaver will be put away for good, or if the system will fail us all.
