In spite of its tremendous success, Brownsville, like other contemporary and historic revivals, has its critics. They ask, Is the Brownsville experience the moving of the Holy Spirit, or is it an enormous Holy Hoax? Award-winning religion reporter Steve Rabey provides an objective and balanced report on how the fires of revival in Brownsville were ignited and how its flames have affected those who have made the pilgrimage to Pensacola. Rabey's thoughtful and unbiased presentation answers old questions and raises new ones. You will think long and deep about your own beliefs and whether revival could happen to you.
