This freewheeling black comedy features a bizarre cast of characters, including a Japanese man with a ball floating six inches in front of his head, an American CEO with three arms, and a Brazilian peasant who discovers the art of healing by tickling one's earlobe with a feather. By the end of this hilarious tale, they each have risen to the heights of wealth and fame, before arriving at disasters - both personal and ecological - that destroy the rain forest and all the birds of Brazil.
