The truth of what it means to trust Jesus has been working its way into my heart by the grace of the Holy Spirit. I'm still a work in progress. Trusting in Jesus is something I want to do more of and understand more fully- so I wrote a book about it. This book is for people like me, who want the idea of trusting God to go deeper than head knowledge, people who want to trust Jesus with all of their heart and aren't always sure how to do that. It's for people who know that trust is not something they can just conjure up on their own. It's about asking the Holy Spirit to come in and change our hearts.
