Taking the Battle to the Enemy's gate In this book the author draws a clear line of demarcation between offensive and defensive warfare. The difference between the conqueror and the conquered is clearly stipulated. The author maintains that for a very long time, the children of God have not been pro-active. There are challenges in every chapter. You will also discover that victory belongs to those who are on the offensive. The challenge of the hour is that you must take the battle to the gate of the enemy. The offensive prayer points in this book will bulldoze the gates of darkness.
