"Grasping the Root of Divine Power" clarifies the fundamental concepts used in any occult system. The work pulls mainly from West African tradition but, is brought up to date using modern examples and guides for immediate application. The rarely taught nine position OBI divination system is shared and author HRU Assaan-ANU provides an approach of implementing this ancient oracle that will intrigue the novice and advanced student of divination. "Grasping the Root of Divine Power" covers the major Orisha in the West African tradition but, also shows their modern day and cross-geographical/cultural counterparts. After reading this work you'll be able to look at avant-garde figures of notoriety, as well, as your intimate ones and immediately decipher what Orisha or cosmic archetype they spawn from. This only scratches the surface of what is imparted in this potent work.
