[The Right of the Line: The Royal Air Force 1939-45.epub](#)

This text describes the RAF during the European war of 1939-1945. John Terraine shows how the RAF, which in 1939 was small and inadequate for the task it was called upon to perform, had, by the end of the war, taken up its position on the right of line, the vanguard position of honour.
