The current economic crisis has left an increasing number of people out of work and struggling for a new direction in their lives. The effects have been particularly devastating for those of middle age or older. It's Never Too Late To Become A Millionaire is an inspirational work that tells the stories of twelve people who achieved the million-dollar milestone in middle age or later. Through interview excerpts and mini biographies, the reader will come to understand the personal qualities and universal principles that led these people to their success.
