**DESCRIPTION:** This is a story about a girl and her best friend who are poor and bored in a small suburban town. Most of their weekend is spent in Kelly's basement. They manage to get in trouble now and then but, this one weekend they plan one of their wildest stunts yet. They, together, are going to seduce Kelly's stepdad. The girls plan, carry it out, dress slutty and lure Anthony into the basement, where they spring their sexual trap and have their way with him. The three enjoy a wonderful night of naughtiness. Kelly has sex with her BFF and stepdad at the same time. **EXCERPT:** He leaned back with his eyes closed and let us do what we wanted to him. We could see his breathing increase as we worked on him. Kathy began to play with her pussy and he opened his eyes to watch. I felt a bit of jealousy and took his attention from her by climbing up on him and sitting down slowly on his hardness with my pussy. I bounced on top of him and he moaned with pleasure. Kathy, not to be outdone, stood in front of me and put her pussy in his face, her ass in mine and we licked her. I teased her and he buried his face in her beautiful pinkness from the front side.
