• Two of British-Australian author Fergus Hume's mystery classics are bound together in this Kindle book: A Woman's Burden and Red Money A Woman's Burden (1900) A young girl prevents an older man from being robbed while walking on a London bridge. He hires her to tutor one of his nephews, as he treats the boys as his sons. But before long, the old man is killed and his will is stolen. Red Money A murder occurs at an English country estate with many suspects, among them are the dysfunctional family and a caravan of Gypsies temporarily camping on the grounds. About The Author Fergus Hume (1859 - 1932) was among the most popular 19th century authors with his mystery novels putting the prolific English writer at the forefront. After Hume's family relocated to Australia he became a great success with his first novel, the self-published The Mystery of a Hansom Cab (1886). He followed up with dozens of titles and fame soon followed. Other Fergus Hume crime thrillers set in Britain and Australia include: The Solitary Farm The Bishop's Secret The Green Mummy The Secret Passage The Mystery of a Hansom Cab
