Cherry Ames is back, just as you remember her! The books are just as you remember them, retaining the same look, feel, and sense of adventure and patriotism as when they were first published. With fully illustrated color covers and a soft-finished hardcover format just like the originals, these books will transport you back to the days when you were reading about this spunky young nurse. Series editor and registered nurse Harriet Forman was inspired by, and remains a devoted fan of, Cherry Ames: "...I was going to follow in her footsteps and become a nurse--nothing else would do." While working as a camp nurse, Cherry follows a trail that ultimately leads to the true perpetrator of a series of robberies and exonerates a hard-working young man who had been under suspicion.
