Bonded By Love (The Heart Never Lies) is a spin off to the In Love with Deceit series, and it features Tasha and Rellz from When Loyalty Dies So Does Love. Tasha and her husband, Rellz, have more in common with Lah and Chink than anyone would have initially guessed. Their relationships have been tested and survived, and both women are happy with the current state of their marriage. For Lah and Rellz however, the love of their wives isn't enough when temptation knocks on their doors. Friendships are formed and others are tested when deceit and disloyalty come into play. Will the bond of their love be enough to fight temptation? Or will their vows be broken? The heart never lies, and it wants what it wants, but will that stand true when what happens in the dark comes to light? Sit back and enjoy this ride with the characters you fell in love with as they bring you drama, drama, and more drama.
