At its time, the Tiger 1 was the most dangerous and most feared armored fighting vehicle (AFV) in the world, getting the recognition it deserved. However, this specific tank alone has a reputation far beyond the expectation for the few numbers that were produced. Delve headlong into the WWII German Tiger Tank history with this whimsical, eye-catching graphic illustration of the awe-inspiring Tiger Tank. Our characters—Sydney, the commander of the Tiger 217, and her fellow Crew Hens, Sara the gunner, Kat the Loader, Amber the Radio Operator, and Jessica the Driver—walk you inside and outside of this roving iron gauntlet. Laced with anime-style drawings, historical schematics, and a few costume changes, this book shows how Edward Thompson has brought the Tiger Tank to life for readers young and old to enjoy.
