Imogen Walters is one classy Lawyer in the middle of prosecuting a murder case. Aaron Jordan is a self-made billionaire thanks to a software computer company owned entirely by him. When Imogen falls foul of the city Mayor and she is threatened by him and two of his thugs, will she walk away in one piece? Can Aaron get revenge for the woman he loves more than anything else on earth? What is it that pushes Imogen to breaking point? **Previously published under my pen name - Lacey Roberts as Mastering Justice. Story has 30% new content and has been extensively rewritten.**
