Sometimes love finds you, whether you're ready for it or not. I love being a midwife. Watching the miracle of life is a bing. Though, I can't help feeling something in my life is missing. Enter Peter. A devastatingly handsome single dad. The tragedy of his wife's death left him broken. No one can break through Peter's tough exterior, but that won't stop me from trying. Through faith and strength I'll teach him to love again. This heartwarming love story is a sweet romance. No cliffhangers. HEA. Standalone. Enjoy!
