In a world that has lost its magic, one girl is destined to find it ... Fifteen and fear, Caspine would do anything to escape her unwanted fate on a remote island at the edge of the Archipelago of Ligarel. She gets her chance when a mysterious six-foot raven-like bird called a Sky Dart leads her a pair forbidden statues. There she finds and rescues a foreign prince left for dead. Prince Torin is from Kabira, a savage nation on the brink of war with Ligarel, and by rescuing him, Caspine has not only ignited the war between their countries, she has also thwarted a vengeful magician's search for the lost medallion that is the source of the world's original magic. With the help of a Sky Dart named Raya, Caspine embarks on a quest to recover Torin's crown, find the medallion, and put a stop to the war. When she learns she is part of an ancient prophecy concerning the Sky Darts and the medallion, she must travel deep into the heart of the Sky Dart nation to learn truths about herself and the world's magic that have been long forgotten. Everything she learns about love, intuition, loyalty, and courage is tested when she must choose whether to make a sacrifice that will alter the world's destiny and fulfill her own. \*THIS IS A COMPILED SERIAL NOVEL CONTAINING 9 STORY EPISODES COMPRISING BOOK 1 IN THE LEGEND OF THE SKY DARTS TRILOGY.\* \*EACH EPISODE CAN BE DOWNLOADED SEPARATELY\*
