Take me down to Vampire City... Vampires live only for lust and pleasure in the eternal twilight of Vamp City. But the city's magic is dying. The only person who can restore it? A beautiful woman from the mortal world...one who knows nothing of the power she wields. Quinn Lennox is searching for a missing friend when she stumbles into a dark otherworld that only she can see—and finds herself at the mercy of Arturo Mazza, a dangerously handsome vampire whose wicked kiss will save her, enslave her, bewitch her, and betray her. What Arturo can't do is forget about her—any more than Quinn can control her own feelings for him. Neither one can let desire get in the way of their mission—his to save his people, hers to save herself. But there is no escape from desire in a city built for seduction, where passion flows hot and blood-red. Welcome to Vamp City...
