Colouring is fun! Colouring is great! As long as you keep your crayon on YOUR side of the paper... A bit of red here. A bit of red there. A bit of red... HEY! You're colouring on my side! This bit of the book is for BLUE. So begins a colourful squabble that takes an unexpected turn - with a funny, feel-good ending! Praise for Monkey Nut: "With brio and inventiveness he fills the pages with splashes, squabbles, contrast and laughter." Michael Rosen "A bright and cheerful picture book that will have young readers laughing out loud from beginning to end." The Bookbag "Who would have thought that one little monkey nut could make such a hilarious and imaginative book?... Bright and colourful, this is a lovely story about sharing."
