From The First Touch, Tilly knew she was in trouble and the last thing she needed was to feel an intense sexual attraction to this handsome stranger. After all, two months ago she ran away from a broken engagement and was feeling raw and vulnerable. Andrew Templer, the CEO, of Templer Industries doesn't do relationships...he learnt the hard way from his bitch of a Mother who drove his Father to an early grave. Andrew Templer, however, could have his pick of women...and he does, frequently. Until one day in early Summer 2012, when he has his first accidental touch of Tilly, and he knows he needs to have her.... in his bed Follow the story, Series 1, of the Templer siblings.....
