Gardening is now the favorite leisure pastime in America. Homeowners are realizing the health benefits derived from gardening and the increase in their home's property value. Book retailers are well aware that the trend in gardening books is to regional titles that provide credible information on the plants that perform well in specific regions. Tennessee Gardener's Guide - Third Edition is written by the popular gardening expert Judy Lowe. It recommends specific varieties and provides advice on how to plant, how to grow, and how to care for Tennessee's best plants.
