Economically, socially, politically, and spiritually, the world appears to be mired in chaos. People all over the world are trying to make sense of a rapidly changing world, and in many cases are struggling with the challenges that life presents. But even in the face of personal trial and uncertainty, a person can find confidence in chaos. John Bradshaw, public speaker and presenter of the weekly television program "It Is Written", reveals not only the depth of the chaos facing our world and the issues coming in the future, but also the certainty of the solutions offered to us by the God of heaven. You can have confidence in chaos!
