Grace is trapped in a love marriage to the stuffy English Lord, Percy DeWitt. One night she snaps and flees from the quiet life of their English country manor to a seedy dockside tavern. Waking the next morning with no memory of the night before, she finds herself captive of the dark, but sensual Captain Morgan. Torn between her pirate captor and her quiet life in the English countryside Grace faces serious questions about love, lust and money in this steamy, new romance on the high seas.
