I am proud to introduce you my new book Foxy the Fox and the Vineyard It is an artistic masterpiece of a children's book The story about Foxy the fox The cleverest in the forest it teaches children to be better Be loving family and friends Be happy and loyal Way of kindness and adventure in the forest That leave a good impression on the children's delicate mind also when they will be grown up And as a gift I add a video of the whole story for everyone who buys the book. Artistic illustrations of the famous illustrator Raluca Cirti
