Who would have guessed in the 1960s that Michael Parker, a typical young British Army officer, would turn into one of the most remarkable international showmen of his generation? This book is a wonderfully funny account of the many different events he has staged in Europe, America, and the Middle East. Amongst these are the launch of twin ships in Fort Lauderdale, the America's Cup Ball in Long Island, the opening of the new Memphis Symphony Hall, the naming of P&O's ship the Grand Princess in New York Harbor, royal weddings in Jordan, victory commemorations, charity events, and some of the world's biggest military shows - Berlin, Edinburgh, and London's Royal Tournament.
