Have you ever wanted something so badly it was all you could think of? All you could talk about, write about, dream about. Claire did. She wanted a horse. Finding Heart Horse is her journey and her search for her Heart Horse. It takes her from being "the girl most likely to succeed" to a life on the streets of Yorkville in the late sixties. As an adopted child she had no identity, no history, and no place where she "fit." Her years on the streets lead her into many dark places, where she began to add more secrets and traumas to her already large collection in the wall of secrets. Life changed quickly in those days, from peace and love to war and violence. She went along for the ride not knowing where it would lead, just knowing that she had to find Heart Horse. If you know anyone who may be struggling, perhaps even yourself, Finding Heart Horse can give you hope where you thought there was none. We all have different journeys, but the essence is the same. We all want to be loved, to belong, and to be happy. Everyone at some point has yearned for something so powerful that, like a magnet, it pulls you into the unknown. Even if you weren't really sure what it was for, you knew you had to pursue it. Life on's are learned, spirituality discovered. The reality of opposites is proven. With pain comes pleasure, with despair comes hope, with sadness comes joy, and perhaps along the way even your Heart Horse may be found.
