Jamieson, Fausset, and Brown's Commentary of the Bible has stood the test of time and remains the preeminent evangelical expository commentary of the Scriptures. It provides verse-by-verse exposition of most Bible passages in insightful, accurate, succinct, and easy to understand articles. Charles Spurgeon, the Prince of Preachers, wrote, "It [the JFB Commentary] contains so great a variety of information that if a man has no other exposition he would find himself at no great loss if he possessed and used it diligently."
