PAIGE When my first love, my only love, Elijah Witter was forced out of my life, I thought I'd lost everything. Never thought I'd feel whole again. But I learned that if you want something, You work your ass off to get it. And now, I've got everything I ever wanted. I'm curvy, confident, successful, and determined. As an in-demand physical therapist, Nothing can stop me. But when I finally find Elijah again, And caress his torn and football battered body, I realize that I don't have the most important thing, The only thing that matters. **ELIJAH** As a wide receiver, you have to be ready for anything thrown at you. Unfortunately, I learned that the hard way. After my mom died and my dad took over, My life was no longer my own. I love playing pro ball, Love the thrill of the game and physical exertion, too. I just don't love all the bullsh*t that comes with it. But now, things are about to change. Paige Sullivan is back in my life, She's intoxicating, sexy, and gets my adrenaline going, Way faster than football ever could. And nothing--or nobody--is going to make me fumble the ball. This time, I'm holding on for good. ****This is a stand-alone, full-length romance with a HEA and no cliffhanger.****
