WHAT HAPPENS WHEN CRIMINALS HAVE GOTTEN WELL OUT OF CONTROL Fed up with the failure of the criminal justice system, Americans want to put a crimp on the rising rate of recidivism. They demand a solution to the problem of violent criminals on the lam and have called for the Constitution to be rewritten. The answer is the radical and controversial formation of WANT bureaus in police departments around the country. These highly trained clandestine officers are federally sanctioned to bring in or put down the most vile, psychotic, and irredeemable criminals ever to avoid imprisonment.
